Eyehooks - 1 inch
1 Inch Foam brushes
Plastic cups
Trays
Roll plastic table covering
Grommet setting tool and grommets - 1/4 inner diameter

Old sheets or muslin
Iron
Ironing board or protective pad

Directions

- 1) Paint ribbon - Cover table or floor with plastic table covering. Put old sheet or muslin on top. Lay 6' piece of ribbon on top, straight. Cut on an angle. Use foam brushes to paint. Cover the whole thing with Dye-Na-Flo Paint. Do not leave any white. When it is dry, or nearly dry, spatter a little bit of thinned down Bright Gold paint.
- 2) Iron ribbon to set paint and make it smooth
- 3) Screw in eye hook to top of dowel.
- 4) Choose 3 solid ribbons, cut 6' with angled cut.
- 5) Line up all ribbons together. Fold straight edge of silk ribbon over other ribbons. Use grommet tool to punch hole. Set grommet.
- 6) Attach banner to dowel eye hook with lanyard hook.
- 7) Move with big figure 8.
